

## Aluminium prints

**Short description:**

Lightweight fade resistant aluminium prints

**Long description:**

All our custom aluminium prints are made on demand using a ChromaLuxe® metal substrate. These market leading aluminium panels are lightweight, durable and eco friendly; made with recycled material that is also 100% recyclable.

Our prints offer the perfect medium for displaying artwork and photography for both home or commercial use. Through a process of dye sublimation print, colour is infused directly into the panel, resulting in outstanding image clarity and vibrancy with exceptional detail and resolution.

Aluminium print on demand panels are also fade, scratch and water resistant. Each print comes with a rounded edge and hidden subframe hanging system, floating your artwork 15mm from the wall for added depth and impact.
